

If you choose to take the train from the airport and need to get from your hotel to the facility, it is most convenient to take a taxi. You can order a taxi by phone, request a taxi at the front desk of your hotel, or just hail a taxi on the street. Available taxis have a lighted taxi sign on the roof.

Alternatively, you can also use the regional train from Bielefeld main station to Halle/Künsebeck station.

Restaurant, wine bar

In the cellar of an approx. 700 year old building located directly under the old theater in the center of Bielefeld, you will find this wine bar. The restaurant provides regional cuisine with a light Mediterranean influence. Their Westphalian ham served on pumpernickel is an outstanding regional specialty and is highly recommended! This is also a great place just to have a beverage and enjoy it outside on the terrace.
